

The Friends of Glen Manor House is a private non-profit organization of individuals dedicated to the restoration, preservation, and maintenance of the Glen Manor House for the enjoyment of present and future generations of Portsmouth residents.

Friends conduct activities for the enjoyment of Portsmouth residents some of which raise funds which are used to further its mission. The organization is managed on a day to day basis by an Executive Board that meets monthly at the House. Members of the Friends meet annually to review progress made during the year and elect members to the Board and officers (on a bi-annual basis). A complete set of by-laws is available upon request to [MHB Brady@aol.com](mailto:MHB Brady@aol.com).
